NATIONAL SMOOTH COACH APPOINTED

It is with great pleasure and excitement that we announce a new addition to USA Dance.

We have appointed Olga Foraponova as the National Smooth Coach of USA Dance, Inc. She will be working closely with the Giacomo Steccaglia, VP of DanceSport and the VP of Professional Council in creating a training and educational program for all of our smooth dancers within the Development Committee in DanceSport. In time Olga will be joined by other experts and gradually we will develop a National Coaching Team.

Olga is one of the greatest smooth champions we have ever had, and we are very fortunate to have secured her services. We are sending a strong message that we are serious about all our different dance styles.

Olga will also be a very important part in helping us spread the American Smooth style to the rest of the world. Please welcome Olga to USA Dance, Inc.
